

INSTRUCTIONAL RESOURCES

EF
(REGULATION)

All films, videotapes, DVDs, and other electronic resources chosen for use in the classroom, including those available through campus libraries, will be carefully previewed and evaluated by the teacher to meet identified instructional objectives for the age and grade level of the students.

All films, videotapes, DVDs, and other electronic resources chosen for use in the Classroom shall be approved by the principal or designee.

Films, videotapes, DVDs, and other electronic resources to be used in the classroom will be made available for review by parents in the same manner as other instructional materials, in accordance with state law. [See EF(LEGAL) and FNG(LEGAL)]

No film, video, DVD, or other electronic resource having a rating of NC-17, R, or X will be shown to students in Henderson ISD schools at any time.
