(EXHIBIT)

HENDERSON ISD
CONSENT FOR PARTICIPATION IN MENTORING SERVICES PROGRAM

Date

Dear Parent,

During the school year carefully selected adults from our community will be serving as mentors for our students. The goals of the adult mentor program are to promote a positive educational experience for students by encouraging students to value education and to do their best in school.

In order to accomplish these goals, adult mentors may view a student's discipline reports, report cards, and/or other related work. Mentors will interact with students on a weekly basis, usually at lunch time. Adult mentors will not be allowed to furnish lunch to students.

Please indicate below if you give permission for your child to be assigned an adult mentor and return this form to school as soon as possible. If you have any questions you may contact me at _____.

Thank you,

[Name]

[Title]

_____ Yes, my child, _____, has my approval to participate in the mentoring services program offered by Henderson ISD.

_____ No, I do not want my child, _____, to participate in the mentoring services program offered by Henderson ISD.
