## Community and Student Engagement Indicators

The three the CASE indicator codes that will be evaluated for PEIMS in 2017-2018 are:

### Category 1: Fine Arts

1. Participation in UIL sponsored activities and competitions
2. Student participation in special assemblies, clubs, and performances
3. Participation in non-UIL competitions
4. Student art exhibits on or off campus
5. Number of Fine Arts course offerings

### Category 2: Community and Parental Involvement

1. PTO involvement
2. Events that include and encourage community involvement
3. Education partnerships with community members, groups, businesses, charities
4. Extracurricular events that include and encourage community involvement
5. Communication with parents and community via social and/or electronic media
6. School transition opportunities

### Category 3: Digital Environment

1. Staff completing prof. development using technology, online courses, etc.
2. Student and/or family access to technology away from school
3. Technology initiatives to increase technology in classroom and with students work
4. Use of web filters for Internet safety
5. Ratio of students to computer work stations
6. Assessments administered online
